

- EMERGENCY MANAGEMENT BASELINE ASSESSMENT GRANT (EMBAG) LOGIC MODEL ASSUMPTIONS**
- o National-level standards for emergency management help ensure that jurisdictions (state, tribal, territorial, and local communities) have accredited emergency management programs and certified emergency management professionals in place in advance of an incident.
 - o Increases in qualified emergency management programs and professionals over time can have a positive impact on a jurisdiction's capability to prepare for and manage disasters.
 - o Activities supported by the EMBAG contribute to outputs and outcomes targeted by the EMBAG.
